FOURMILE SANDSTONE

THE LASTING BEAUTY OF NATURAL STONE, IN COLORADO COLORS

Fourmile Sandstone offers the most unique colors and cuts of natural sandstone, bringing contractors more options for walls, walkways, patios, fireplaces, and stone accents for residential and commercial settings. From hand stackable units to larger wall units, slabs, and veneers, Fourmile has a vast array of product selection to suit the needs of any outdoor living project.

*Locally owned, carefully mined, masterfully cut.
Available exclusively through your local CPS Branch.*
